

AUTISM AND ELECTROMAGNETIC FIELD INTERFERENCE AND A NATURAL SOLUTION FOR PROTECTION

Electromagnetic Field Radiation (EMF's) can sabotage the efforts of your child's recovery program, unless you protect your child from them. EMF's can harm overall health in many ways including sleep, digestion, cellular function, energy level, mental clarity and cognition, anxiety, and worsening of current medical conditions.

Dr. Martin Pall has also written a full article on the effects of EMF's on our health as related to the voltage-gated calcium channel disruption (VGCC).

Excerpt: "There were 10 biological responses EACH OF WHICH HAVE BEEN WIDELY REPORTED and each of which can be understood as being generated by downstream consequences of VGCC activation and elevated intracellular calcium.

Those 10 are:

- Oxidative stress,
- therapeutic effects,
- single strand breaks in cellularDNA (as detected by alkaline comet assays),
- double strand breaks in cellularDNA (as detected by formation of micronuclei),
- cancer (which can be generated by the same well-documented mechanism that produces inflammatory carcinogenesis),
- male and female infertility (in which DNA double strand breaks have roles and possibly also calcium-triggered apoptosis),
- breakdown of the blood-brain barrier (produced by oxidative activation of matrix metalloproteinases and consequent degradation of tight junctions),
- and loss of melatonin leading to consequent sleep dysfunction.

Each of these has been widely reported, each of them is serious and each of them can be understood as being generated by the VGCC mechanism."

 - Ph.D. degree in Biochemistry and Genetics, Caltech, 1968
 - Asst. Prof. Reed College, 1967-72.
 - Asst., Assoc, and Full Professor, Genetics and Cell Biology and Biochemistry/Biophysics, later Professor of Biochemistry and Basic Medical Sciences, Washington State University, 1972-2008. Professor Emeritus of Biochemistry and Basic Medical Sciences, Washington State University.
 - Received 9 international honors for research in Environmental Medicine
 - Author of 103 professional publications.
 - Research since 1998 focused on mechanisms of chronic disease; oxidative/nitrosative stress; inflammation, mitochondrial dysfunction, other mechanisms; environmental stressors causing chronic disease; regulatory systems acting to prevent chronic disease; chemicals acting to trigger chronic disease via excessive NMDA activity; mechanism of action of electromagnetic fields via activation of voltage-gated calcium channels.

The Natural and Simple Solution To Protect Your Family

I have researched a product I wish to share with you to help harmonize the harmful effects of electromagnetic field radiation. I am excited for you to learn about this fascinating technology.

Focused Life Force Energy (FLFE) activates a positive energetic environment that supports the consciousness of your space and provides you with more energy to improve the quality of your life.

- To expand our consciousness
- To sleep and meditate more deeply
- To boost our body's natural healing ability
- To increase focus, concentration, creativity
- To energize our living/working space

Parents report improved ability for their child to do schoolwork and a greater sense of calm. [Read FLFE research, studies, and scientific evidence.](#)

The EMF Mitigation Program in FLFE

How it Works:

FLFE's EMF Mitigation Program changes the way EMFs are influencing our lives.

The FLFE environment and the FLFE EMF Mitigation Program harmonizes and acts in other ways (including using the energetic signature of Shungite) to have EMFs be positive for us, actually supporting us to rise in consciousness.

The EMF Mitigation Program is included in all FLFE subscriptions.

Customer experience include:

- restful sleep
- physical energy
- relief from anxiety
- improved mental clarity
- easier forgiveness
- improved communication
- engaging in less bad habits
- improvement in overall quality of life...and more.

Hydration with FLFE is extremely important to assist the increased energy and internal repair, especially in the first three days with FLFE.

FLFE offers a FREE 15-day trial.
